FISCAL NOTE

HB 382 - SB 881

February 15, 2007

SUMMARY OF BILL: Restricts the conditions under which a municipal corporation may construct water or sewer lines on private property. According to the provisions of the bill, the municipal corporation must enter into a hold-harmless agreement with the private owner and may only do so in situations where sanitary overflows were caused by increased groundwater or rainwater on the privately-held property.

ESTIMATED FISCAL IMPACT:

Decrease Local Govt. Expenditures - Less than \$100,000

Assumptions:

- Such projects occur infrequently.
- Most water and sewer lines are owned by local government entities.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
